# St Jude's Wishlist 2021

Can you help us source these much-needed goods?

## Thank you

Thank you for your interest in donating goods to The School of St Jude. The Wish List below contains items that are difficult or expensive to source in Tanzania.

Tanzanian customs authorities at the border will most likely require you to present a taxation waiver letter for you to be able to bring these items to St Jude's. Please contact us in advance at [DonorRelations@schoolofstjude.co.tz](mailto:DonorRelations@schoolofstjude.co.tz) so we can send you a tax waiver letter and provide advice about priority items listed below.

## Please note

- Educational materials and stationery are always required, especially quality, accurate information and pictures about Africa.
- We have plenty of Australian informational resources and small clip-on koalas. We do not require any more.

# Book suggestions 2021

Currently, St Jude's libraries requires non-fiction books especially in our secondary schools. We have reasonable fiction collections across our three libraries; however, most of our books are written by international authors. St Jude's is working to build our collection of African fiction (particularly contemporary fiction) and titles written by African authors.

Our requested titles listed on a number of online books websites. We carefully review and update these lists throughout the year, so that supporters like you are aware of our priority needs. Please do not directly purchase from these lists and send titles to St Jude's, as this costs the school customs tax. Although the books listed on these websites are our highest priority, we also appreciate similar books in good condition.

- If you are in the UK or Australia, you can view our Book Depository wish list here: <https://www.bookdepository.com/wishlists/W7TQQ7>
- If you are in the US, you can view our Amazon wish list here: [https://www.amazon.com/hz/wishlist/ls/1K9J708FLPLG6?ref\\_=wl\\_share](https://www.amazon.com/hz/wishlist/ls/1K9J708FLPLG6?ref_=wl_share)

St Jude's urgently needs texts and resources listed below.

If you are donating second-hand resources, we prefer to publication or revised dates later than 2010.
